

At Main Menu
Selected "My Videos"

At "My Videos" (My own custom Sub-Menu)
Selected "My Home Videos" (Really "Video Library")

At "Video Library" (Called "My Videos" in prior menu)
Selected "Back" (In left menu pane) or Back Arrow (Upper left)

Both took me back to prior menu "My Videos"
Selected "Back to Media Center" (my custom menu item in menu.xml using "Left" command) or Back Arrow (Upper left)

Both took me back to prior Main Menu
